ABOUT NATE +

Shaoxing Naite Drive Technology Co., Ltd., founded in July 2013, is an innovative enterprise specializing in the production of ergonomic lift tables. Nate focus on providing more people with a "healthy office environment". "Quality" is at the core of the company's values. Naite focuses on diversified product development, production, sales, and service.

Nate has obtained China ISO9001, EU CE, RoHS, US UL, BIFMA, Australia SAA, and other certifications. Nate always regards quality as the cornerstone of the continuous growth of the enterprise. Our sales network covers more than 30 countries around the world. It has established long-term relationships with more than 100 companies in the United States, Canada, the United Kingdom, and Finland. On the road to opening up the international market, we always move forward with firm steps.
